

พิธีซ้อมพระราชทานปริญญาบัตร มหาวิทยาลัยเทคโนโลยีราชมงคลกรุงเทพ

วิทยาลัยนานาชาติ (International College)

Our International College Director, Dr. Hathaikorn Panngam (in the middle), was posing in the beautifully-taken picture with 2 International Students on Sunday 28th August 2016 for the graduation ceremony rehearsal at Rajamangala University of Technology Krungthep Borpitpimuk Campus. Mr. Ahaiwe Ikenna Joshua (on the left) who graduated top of the class in Information System major from Nigeria and Mr. Nilton Da Costa Nunes (on the right) who also graduated in the same Major from Timor Leste took a chance to come back to attend the ceremony and visit the university after spending the memorable 4 years here. It was undoubtedly the vision of our director to select qualified International students to study in our program.

It was a highly appreciated day for Dr. Phaithoon Polasen as he took part in the center of the photo with numbers of successful bachelor students who graduated last year on the football field in Borpitpimuk Campus of Rajamangala University of Technology Krungthep.
